Product Description

- ✓ Ergonomic 3-function (raise, neutral, and lower) hand control for comfort
- ✓ Variable-speed operation for precise load control during transport
- ✓ Automatic safety release braking system ensures operator and facility safety

Increase productivity with the Global Industrial™ Self-Propelled Electric Pallet Jack Truck. Equipped with polyurethane drive and load wheels, this electric pallet jack rolls smoothly on surfaces in warehouses, grocery stores, and distribution centers. With just the push of a button, it smoothly lifts and lowers pallet loads of up to 3300 lbs. Operators can get close to 5 hours of service per charge and a one-piece power head cover allows for easy maintenance access. Limited 1-Year Warranty.

- Includes entry rollers
- Key switch limits access to approved personnel
- This unit is not recommended to run in temperatures lower than 40°F or higher than 105°F
